The GRTU Malta Chamber of SMEs is looking for partners for the ‘Erasmus for Young Entrepreneurs’ call. This is basically an EU funded initiative to act as an intermediary and coordinate a mobility scheme that allows potential or newly established entrepreneurs to spend a period of time collaborating with an experienced entrepreneur in another participating country.

The project duration will be two years, starting from February 1, 2018 till January 31, 2020. The maximum budget allocation is of €500,000 between all the partners. Staff costs are an eligible cost and the organization can get significant exposure through the project.

Applying entities can include;

- Public entities responsible for or active in the fields of economic affairs, enterprise, business support or related issues
- Chamber of commerce and industry, chambers of (handi)crafts or similar bodies
- Business support organisations, start-up centres, incubators, technology parks etc.
- Public or private entities offering business support services
- Institutions of (higher) education such as universities or institutes for vocational education and training.

This is a very good opportunity and GRTU will be applying itself so the partners that accept will not have a lot of paperwork to compile at application stage.

Deadlines to submit proposals under this call is June 7, 2017. For this reason interested parties should contact The GRTU Malta Chamber of SMEs by not later than Friday 5th May 2017. Interested parties should send an email on info@europedirectvalletta.eu
